Mexico

Mexico is known as the country of holidays. People in the country love to celebrate any holidays in their country. They have independence on September 16, which came from Spain. Besides that, they have so many colorful festivals that are called "fiestas". Mexicans will pray and have candles on these holidays. They go to church, and create so many activities for the holidays. Some of them like to decorate the churches by flowers and colorful candles. Moreover, they also have parades, fireworks, dance competitions, and parties on these holidays.

The art of Mexico is also unique in the world. They have the famous traditional art, which names folk art. People are also very interested in pre-Columbian architecture. This style is more public than folk art. Anyway, Mexican architecture is first influenced by European traditions. However, we can still realize a Mexican building or structure among others because it always has something very different from them.

Mexican food is not my favorite food. However, it is also famous in the world. For me, it is very difficult to eat. There are some of famous Mexican food, which we can find in any Mexican restaurant: tacos, enchiladas, mole sauce, steak, soups, pasta, and burritos. In these food have some ingredients consisted of meat, beans, chicken, pork, beef, potatoes, corn, tomatoes, peppers, chilies, onions, guacamole, avocados and guano. If you care about Mexican food, you should think about trying popular Mexican beverages. It is mixed with a variety of fruit juices, and cinnamon-flavored hot chocolate prepared with milk. When all of these stuffs become finished, they will use it.

The music of Mexico is also very special. They can make the sound from drums, flutes, maracas, saxophones and brass voices. Mexican is very like to dance a tang with
